Transport Assistance

If you need transport, but are unable to drive or use public transport, there are options!

Why not consider contacting one of the following to see if their services suits your needs?

Community Car Service

The Community Car Service provides safe affordable transport for the disabled, elderly and vulnerable people of Tunbridge Wells and the surrounding areas. We can also provide wheelchair-friendly transport.

Once registered you can use the service as many times as you need to. We will take you anywhere you need to go including all London hospitals.
We operate a door-to-door service making it safe for people with dementia to use us.
All our drivers are volunteers and they all have an enhanced DBS check.

We provide other services, which include, prescription collection, IT2U (this brings the internet to you in your home), Shop drop and social inclusion events.

Dial 2 Drive (Imago)

If you find it difficult to use public transport and taxis for appointments such as hospitals, day centres, surgeries, opticians and shopping, then Dial 2 Drive can help.

Our friendly drivers are volunteers. They use their own cars and give up their time to support the local community. You will have the reassurance of a named, reliable driver (insured and DBS checked) who can safely and efficiently take you to your appointment and return you to your home.

Drivers can be booked for days, evenings or weekends.

There is an annual fee of £20, then 65p per mile, with a min. charge of £5.
